

MEMBER COMMENTS

"Chick-fil-A of Willoughby joined the Chamber of Commerce during our grand opening in 2008. We joined to have contact with other business' in our area and to be more familiar with the events taking place. We have benefited greatly with getting the opportunity to know more people, particularly with the after-hours networking events and partnering in the community events that take place. If you are looking to build your business along with being part of your local community, this a fantastic cost-effective way."

- Billie McDonald, Owner/Operator
Chick-fil-A of Willoughby

"I became a member to increase my visibility, become more involved in my community, and to grow my business. The Chamber has helped me accomplish those goals in many different ways; from networking events to seemingly endless resources and collaboration. The Chamber is a great place to help you and your business thrive."

- John Barbish, Barbish Financial Group.

"The Willoughby Western Lake County Chamber of Commerce has been an immense help in helping us grow our business. Their programs offer great opportunities for our staff's professional development and the social events are remarkable relationship builders. It is the only civic organization we rely on for assistance on so many levels on such a consistent basis."

- Bob Fiala, AIA, NCARB
